

Internet Banking Policy

Background

The Legislative Reform (Payments by Parish Councils, Community Councils and Charter Trustees) Order 2014 came into effect on 12th March 2014. This Legislative Reform Order repeals the statutory requirement for 2 elected members to sign cheques and other orders for payment.

The removal of this legal requirement will enable the Parish Council to take an overall approach to how it controls its money as well as taking advantage of modern technology including internet banking. The Parish Council acknowledges the need to maintain robust controls on payments as an integrated part of its overall financial control system and proposes an Internet Banking Policy as part of its Financial Regulations.

The Parish Council approved the use of internet banking with Co-operative Bank at its meeting on the 16th March 2020 due to the Covid-19 pandemic and subsequent Central Government advice/regulations.

Account Details

The Parish Council has 2 accounts with Co-operative Bank:

- A Current Account with cheque and internet banking facilities for the day-to-day payment of invoices and receipt of any income.
- A Deposit Account for any reserve funds that the Council might hold.
